Welcome to Storm Elite All Stars!

Storm Elite All Stars has been in existence since 2005 and has grown from a single team in a school cafeteria to a full-service all-star cheer, dance and tumbling facility that offers something for every athlete at every skill level.

Our Mission

Our mission is to help our athletes achieve their goals and have FUN doing it! This is done by teaching athletes how to strengthen, condition and learn skills in a proper progression. We strive to promote sportsmanship, leadership, integrity, self-confidence, team work, discipline and commitment.

Who Are We?

Our staff bring over 75 years of combined experience as well as a personal passion for all-star sports. All-star cheer and dance are two of the fastest growing sports in the world! Each of our coaches bring their unique perspective of all-star to their athletes because they've been athletes, coaches and judges at the junior high, high school, and collegiate levels. Going through every aspect of the all-star world allows our coaches to bring a greater understanding to their coaching. This allows our program to provide each athlete a well-rounded experience with lessons that go well beyond cheer and hip-hop and into life.

We thank you for your interest in our program! It's a privilege to have the opportunity to share in your child's life!

The World of All-Star

“All-star” is a type of competitive youth sport, like “club”, “Pop Warner”, and other types of youth competitive sports. As with all youth competitive sports, all-star can be a huge expense and time commitment. We do what we can to keep both costs and time to a minimum, but because of the nature of what we do and to keep up with other programs we compete against.

Our sport is governed by the United States All Star Federation – or the USASF. This organization serves as the governing body by establishing the rules, guidelines and provides oversight to the sports in all-star. We are proud to state that all our staff are Professional Members of the USASF and have passed a national background check to receive this status.

The cut-off for the “competition age” of an athlete is August 31st. The age that each athlete is on August 31st is the age that athlete will compete the entire season at. If they are 8 years old on August 31st, they will compete the season as an 8-year-old, even if they turn 9 on September 2nd.

Just like our gym and coaches all have to be members of the USASF, so do all of the athletes that compete for our gym. You can go to www.usasf.net and set up an account for your athlete, then pay the membership fee (\$30 per athlete). The membership fee through the USASF also qualifies athletes for scholarship opportunities as well as gives them additional \$1,000,000 “catastrophic” insurance that will help with medical bills. For more information about membership benefits, visit www.usasf.net. Because this is a requirement for all athletes in the gym in order for our gym to properly compete at events, it is imperative that this is done ASAP. If you would like for us at the gym to do this for you, contact the administration office. For an additional \$10 administrative fee per athlete we are more than happy to work for you in setting up the account and making payment for the athlete for the season.

Our Organization and Teams

Here at Storm Elite All Stars we try to accommodate everyone that wishes to give all-star a try! From ages 3 and up, recreational, half-season or full-season, there is something for everyone!

Rising Stars

Rising Stars is our recreational group. Along with other gyms in Wisconsin – Green Bay Elite, Fury Athletics of Madison, Oshkosh Jets, and Heat Athletics – the Rising Stars program is set up for those that wish to try out all-star cheer. Practices are for an hour each week, and the costs are very minimal. During their performances, there are coaches that act as “judges” where each Rising Star team gets some feedback about their performance. Rising Stars costs \$45 per month. In addition the athletes will be expected to purchase a “uniform” (cheer top and skirt as well as bow), which is low-cost (typically about \$50 plus tax). Any age athlete can participate in Rising Stars – with athletes grouped by age divisions when possible.

Half-Season Prep Team(s)

For those athletes with some cheer experience or want a bit more than recreational but not at a full-season commitment, we have our Half-Season Team(s). This is a smaller commitment and cost and allows athletes to be involved in other activities if they wish. The season is typically run from October through March, and all the competitions are within driving distance if no hotel stay is desired. Practices are typically one day a week for 2 hours. Usually this program participates in 4 competition events per season. These teams are a bit more expensive and have more commitment than recreational program, but still is a smaller commitment overall.

Full-Season Prep Team(s)

For the athletes that have some cheer experience and/or the desire to “leave it all on the mat”, we offer a full-season prep program. This program offers a lot of the “benefits” of our full-season cheer teams but does this at a smaller cost to families as well as a bit more flexibility. “Prep” is not a “lower” level than full-season cheer; rather the rules are a bit more flexible when forming teams as well as lower competition costs, which allows us to pass that savings onto athletes in the form of lower tuition prices. Because this is a full-season program, they will start with the full-season cheer teams, receive tumbling instruction during their practices, and have professional choreography for the routine they will compete for the season. These teams will have competitions that are closer to home which also allows for athletes to save money on travel. For our 5 to 8-year-old athletes, we typically use this as a “stepping stone” into the world of full-season cheer and start them here.

Full-Season Cheer Teams

Full-season cheer is for our athletes that want the biggest “bang” for their buck! With heavy instruction as well as multiple skill levels offered, the athletes participating at this level are very heavily committed to the sport of all-star cheerleading. Athletes work on tumbling, stunting, and dance to learn a professionally choreographed routine and compete against other teams that are designated at their age and skill level. The full-season teams are in the age divisions of Junior and Senior, with the skill levels

and number of teams depending upon the number and abilities of athletes participating. These teams practice two or more hours per practice day, two to three times per week, depending upon the athletes' abilities to pick up the necessary choreography to compete. These teams are typically our most expensive teams to be on and the time commitment is most necessary for safety as well as consistency. To assist with the total cost families can break the annual tuition into manageable payments.

Placement on Teams

Each athlete is assessed in various ways by the coaching staff for their abilities in tumbling, dance, stunting, teamwork, coachability, dedication, maturity, physical stature and coachability as well as the needs of the team that has the openings. One thing that Storm Elite All Stars prides itself on is that every athlete will be placed, and proper progression is key. **Every person on every team is key to team success, and they are placed on a team where they will benefit the team.** If an athlete wishes to move to a higher skill-leveled team, they are encouraged to work hard and talk to their coaches about what they need to do. **Nothing is ever set in stone** – changes can happen during the season if an athlete works and shows the ability to make the upper-leveled team, or if there is reason for an athlete to not be able to continue (injury, for example). The coaches are the **ONLY** ones that decide where an athlete will be placed. *****PLEASE NOTE THAT COACHES RESERVE THE RIGHT TO ALTER TEAM LINE UPS, REPLACE OR MOVE ATHLETES WITHIN THE ROUTINE OR TO ANOTHER TEAM AT THEIR DISCRETION WITH NO PRIOR NOTICE OR INPUT.**

Sportsmanship/Social Media

Sportsmanship is one of the foundations of our program. We expect anyone associated with our program – from coaches to athletes to families – to behave in a courteous and considerate manner to all teams and athletes in the gym as well as at competitions.

We see our athletes and their families as our ambassadors for the Storm Elite All Star program. This is in personal presentation as well as on social media. We are very active in monitoring social media and ask parents to assist us in monitoring this – not just Facebook, but Instagram, Snapchat, Twitter, and any other social media forum. The organization will NOT tolerate any post (speech or shared content) considered negative, vulgar, slanderous, or inappropriate on any social media outlet. It is next to impossible to monitor everything, and that is why the entire gym works together as a team in achieving proper social media representation and etiquette. If you see something that violates these guidelines, or you find questionable or negative, please obtain a screen-shot and bring it to the attention of gym ownership and we will handle it directly.

With the number of people that are a part of our program, there is bound to be disagreements or conflicts from time to time. We encourage people to civilly approach the person/people that might be involved in the conflict and resolve issues privately. If the disagreement/conflict involves a member of our staff, a decision made, or the program itself, please bring it to the attention of Branka and/or Christa. Social Media does offer the benefit of interpersonal connection, but it can also add to a small situation and cause it to grow. Because of this, social media is NOT the place to address any issues, no matter what they are. What many don't realize is that at times there are issues that can grow into legal issues very easily. The best action to take is going to gym ownership and starting there. **An athlete and/or parent may be removed from the program due to inappropriate social media posts.**

Practices

If you choose to participate in Storm Elite All Stars it is important to understand the level of commitment that it entails for all teams and all ages. Every athlete is expected to participate in every competition that is scheduled. We expect athletes to be at every practice so we **strongly encourage** families to schedule vacations around the competition season (**November 1 through April 30**). We make every effort to give families the competition schedule as early as possible.

All-star is different from other sports in many ways. One of the biggest differences is that there are no “bench” players to fill in for athletes that are not present. Every all-star team has a place on the mat/floor for every athlete on the team. Everyone has a job to do in the choreographed routine, and missing one person can cause up to five athletes to lose out on that practice. Because of this we consider **ALL PRACTICES MANDATORY. Period.** We have asked athletes to leave the gym for the season due to missing too many practices for “unexcused” reasons (see the chart below), and missing practice does affect your placement on the team and within the program. Obviously, there are events that are excused (school events for grades, illness, family emergency, etc.), but most of these events people are aware of ahead of time. It is imperative that you make your coach aware of conflicts where your athlete will miss practice **AS SOON AS POSSIBLE.**

All Full-Season Cheer Teams – Choreography is slated for JULY 15, 16 & 17! THIS IS MANDATORY for all athletes placed on full-season teams! See your coach if there is conflict!

Excused vs. Unexcused Absences

Examples of EXCUSED Absences	Examples of UNEXCUSED Absences
Graded/Mandatory School Events (<u>these are scheduled well in advance – submit to coach ASAP</u>)	Family “celebrations” (anniversaries, birthdays, dinners, gatherings, etc.)
Contagious Illness The best indicator is a fever of 100 or more and vomiting. “Not feeling well” is NOT in this category, nor is a “cold” or “headache”.	Homework, studying, after school job, work
Family Funeral	Funeral of someone not known to athlete
Excused Summer Vacations (submitted with over 2 weeks advanced notice to coach)	Vacations during school year
Any and all dates an athlete is planning to miss practice must have a “vacation notice” completed and given to the HEAD COACH of each team being missed AT LEAST 2 WEEK BEFORE – this is NOT an automatic excused absence!	No ride; car trouble (contact someone for help!) Non-contagious illness (cold, headache, “feeling yucky”) – athletes will be expected to be present to watch practice
<i>Any and ALL absences MUST be communicated to your team’s HEAD COACH (phone call first!) as soon as possible! NO notification and then NOT SHOWING UP for practice WILL be dealt with on an individual basis!</i>	

For All Teams: No one will miss practice the week of a competition! This is NOT optional!!

****If a doctor states that an athlete is not able to participate due to illness, a note MUST be submitted to the gym and includes the date of return/release.**

*****If an injury occurs, the athlete MUST receive a doctor’s note stating restrictions for activity. Athletes are still expected to be at practice during this time. Athletes will only be placed back into full participation with a written full release from the treating physician.**

Weather Cancellations: Weather is **NOT** an excuse to miss practice! The owners will make the determination if the weather is severe enough to cancel practice or not. We understand that there are some (athletes and coaches) that drive quite a distance to be a part of our program. We take many factors into account when evaluating cancellations. Winter is the height of our season and for the sake of safety for athletes and to offer the best routine for competition, practice is incredibly important. We ask that families and athletes make plans in event of hazardous road travel. Any cancellations will be posted on Facebook on the team group pages, on our main page, and on our Booster Club page, so check those places first. If necessary, contact your designated team parent to verify the information.

Competition Cancellations: The gym has **NO** control over an event producer choosing to cancel an event. There are many reasons this could happen – lack of teams participating, weather, loss of venue, etc. – and we are not always made aware of the reason for this choice being made. **COACHES RESERVE THE RIGHT TO CHOOSE TO PULL ANY TEAM FROM ANY SCHEDULED COMPETITION. While we make every effort to add another competition, this is not always possible. The gym will NOT issue refunds, but will make every effort to replace the event with a comparable one.**

COMPETITIONS

If the team your athlete was placed on has a competition attendance is NOT optional. We expect every athlete at the designated meet location at the time specified. While we have the date of the event, exact performance times are changed until a few days prior to the actual event. The organization has no control over what time the teams are scheduled to compete. As soon as we have a set schedule for competitions, we will alert each family to let them know the meet time, the warm-up time, the competition time, and the expectation of supporting other teams from the gym competing. From there, your team parent will be the primary contact for this day.

AT THE SPECIFIED MEET TIME, athletes **are expected** to be with the team parent and fully ready. This means the athlete is out of coat, warm-ups, has shoes on, in full uniform, with hair and make-up fully done. If you are going to be late due to parking issues, drop off the athlete and then park your vehicle. If an athlete is unable to do own hair and make-up and the parent they are with is unable to as well, they are expected to reach out to other parents/athletes to make plans **PRIOR** to the meet time at the venue. Remember that athletes all need time to be ready, so planning is **PRIORITY** in this matter! **Your first contact should ALWAYS BE YOUR TEAM PARENT!** Coaches are required to do team registrations, attend event coaches' meetings and handling numerous other tasks and should be considered UNREACHABLE. Team parents will reach out to them if the need arises.

When at competitions, everyone should be going to the VIP section to cheer on the other teams from the Storm gym – whether your athlete is a part of that team or not! The noise levels affect team scores at times, so the more to make the noise the better! The emails that go out with the times to arrive for you athlete will also list the team(s) you are expected to watch perform – some before, and some after your athlete performs, and at times, some will be after your athletes' awards ceremonies. We are a huge family and we support everyone when possible! It is encouraged to watch all the teams perform, but at times it might be hard to do. If there is an issue or a conflict, speak to your coach **PRIOR** to competition day.

GYM

At our gym we have access to two spring floors, an administrative office/pro-shop, a waiting room, and a coat/cubby room. It is up to everyone to be respectful and keep these common areas all clean and neat.

We also are aware that athletes arrive at different times during the afternoon, and at times that depends upon the schedule of the individual driving them. Some athletes will ride with others that may be practicing and have to wait for their turn to practice. **EVERYONE IS EXPECTED TO KEEP THE NOISE AND DISTRACTIONS TO A MINIMUM DURING ALL TIMES PRACTICES ARE RUNNING.** Athletes waiting for their practice times to start and parents waiting for athletes **MUST REMAIN IN VIEWING ROOM!**

A few other things that needs to be mentioned:

- We share our parking lot with 4 other businesses. STORM parking is marked with **YELLOW** signs and tape along the POSTS against the building. If spaces are filled, you **MUST** park on the street. The other businesses have signs posted that they will tow vehicles at the vehicle owner's expense.
- **No parents, friends or siblings are allowed out of the viewing room during practices! This is a liability insurance restriction! Practices are CLOSED to spectators! This is STRICTLY enforced! Continued reminders will result in people being asked to wait outside for their athlete(s)!**
- **NO ONE** is allowed on the practice floors or equipment unless under the direct supervision of a coach! This includes all athletes waiting for practices to start!
- **If your team is not yet practicing, you are expected to be quiet and remain in the viewing room until it is time for you to take the floor.**
- No food or drink is allowed in the practice areas! Water bottles and water is fine.
- NO JEWELRY can be worn at any time during practices!
- NO GUM chewing during practice!
- **NO FOOD, DRINK (INCLUDING WATER), GUM, CANDY, OR OTHER CONSUMABLE IS ALLOWED ON ANY SPRING FLOOR!!**
- Athlete cell phones **MUST** be shut off and put away during their practices! **NO EXCEPTIONS!**

If there is ever a time that you as a parent wish to speak to your athlete's coach, or if anyone wishes to meet with the owners, we ask that instead of trying to "catch them after practice" that you reach out and make an appointment to meet with them. Appointments allow not only an allotted amount of time to address things, but it offers confidentiality and keeps matters private. Coaches often schedule things to happen between practices as well as find need to speak to a specific athlete or to further discuss a matter with their team. It is important that they are allowed time to do what they as coaches need to do and instead offer the respect for you and them and schedule a time to meet.

FINANCIAL OBLIGATIONS/EXPENSES

Our program is set at competitive prices, and we make every effort to keep our program at good prices without sacrificing team competitive ability. If the prices of our full-season teams are a bit steep for your family, there are full-season and half-season prep teams as viable alternatives. We take great pride in stating that Storm Elite All Stars is the most family-friendly program in the area, but we are still a business and have our expenses that we must cover a timely manner.

We offer discounts for families with multiple athletes, families that can pay in full at the beginning of the season, as well as older athletes that volunteer to be Junior Coaches (see Christa for the Junior Coach packet if you are 15 years or older and an athlete in good standing). Discounts are specified in the section with pricing for our different programs. If you have any questions about financing and payment, please contact our Administrative Office for an appointment where this can privately be discussed.

Just like any other activity or sport, there are other expenses not covered by the tuition. The following is a small sample of estimated costs to athletes:

Classes/Clinics	Additional sessions offered focused on a specific activity	\$20 - \$80
Open Gyms	The opportunities for athletes to use the gym to work skills	\$5/person

Cross-Over Athletes

We work to keep our number of cross-over athletes (athletes that compete on more than one team) to a minimum due to additional costs as well as time commitment. As a small gym, we do find the need for a few athletes that will be asked to cross-over from one team to another. There is a great benefit for the athlete including additional practice times as well as working on skills to advance. These athletes are charged an additional "cross-over fee" by event producers at each competition. Because we don't know which athletes or how many cross-over athletes we will have, we are unable to include this in tuition and must invoice this expense to the athlete during the season. If you athlete is asked to cross-over to a second team, please see the Business Manager for the details of costs as well as to make payment arrangements.
